**Item 3.01. Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing**

On March 16, 2010, Harbor BioSciences, Inc. (the "Company") received notice from The Nasdaq Stock Market that its application had been approved to transfer the listing of its common stock to The Nasdaq Capital Market from The Nasdaq Global Market. The transfer will be effective at the opening of the market on March 18, 2010. The Company will continue to trade under the symbol "HRBR."

The Nasdaq Capital Market is a continuous trading market that operates in substantially the same manner as the Nasdaq Global Market. All companies listed on the Nasdaq Capital Market must meet certain financial requirements and adhere to Nasdaq's corporate governance standards. The Company elected to transfer the listing of its common stock to the Nasdaq Capital Market because it no longer met certain listing requirements of the NASDAQ Global Market. The Company believes it is in compliance with all applicable criteria for continued listing on the Nasdaq Capital Market, but for the \$1.00 per share minimum bid price requirement set forth in Listing Rule 5550(a)(2). The Company will continue to monitor the bid price of its common stock and will consider available options if its common stock does not trade at a price level likely to result in the Company gaining compliance with Listing Rule 5550(a)(2) prior to the September 13, 2010 grace period deadline.
